

Lash Architect Masterclass

Join a select group of beauty professionals for an elite 3-day, hands-on training experience with **Beleza Beauty**.

Take the first step toward a rewarding beauty career with our Lash Extension Masterclass! Whether you're new to lashing or ready to expand your skills, this hands-on course covers Classic, Hybrid, and Volume techniques with expert guidance and lifetime support.

COURSE HIGHLIGHTS

Our lash technician course is designed to equip aspiring artists with the essential skills and knowledge needed to excel in the beauty industry. This all-in-one training covers Classic, Hybrid, and Volume lash techniques, including both the use of premade fans and how to create your own custom fans for a truly personalized lash experience. Students will gain a solid foundation in sanitation and disinfection practices to ensure client safety, along with a detailed understanding of eye anatomy and common skin diseases and disorders and an emphasis in lash mapping. With hands-on experience, expert instruction, and a deep dive into industry best practices, this course offers everything you need to confidently launch your lash career.

We're proud to elevate your training with premium products from Sugarlash Pro — a leading Canadian brand known for innovation, quality, and results trusted by top lash artists worldwide.
