

Hair Removal Specialist

Join a select group of beauty professionals for an elite 3-day, hands-on training experience with **Beleza Beauty**.

Learn the essential techniques of full-body hair removal using sugaring and waxing. This class covers everything from preparation to aftercare, giving you the skills to deliver smooth, long-lasting results for your clients.

COURSE HIGHLIGHTS

This hair removal course offers advanced training in both waxing and sugaring for full-body treatments, with a strong emphasis on precision and client care. You'll master not only the techniques but also gain expert knowledge on skin diseases, disorders, and medical conditions that impact hair removal. Special focus is given to intimate waxing and sugaring, troubleshooting, and post-treatment care. This exclusive course is designed to elevate your skill set, empowering you to deliver exceptional, tailored services with confidence and expertise.

TRAINING FEE

\$1300+ gst (includes light lunch + full kit)

START DATES

Classes are fully customizable to fit your individual schedule. We work with you to find times that best suit your availability.
